

PAWPRINT HUNT

How many of these pawprints can you spot in this booklet?

**IN CINEMAS
MAY 22**
PREVIEWS MAY 16 & 17

MAZE
Help Charlie avoid Puddy and take to the skies by navigating through this maze!

PET POWER

What would your pet be like if they had superpowers, and what superpower would they have? Draw your super animal hero fighting crime in the space below!

SPOT THE DIFFERENCE
 Can you spot all 7 differences between the two photos of Charlie's best friend Danny?

WORD SMASH!
 Charlie and Puddy's battle has broken these words! Can you rearrange the letters to spell out two words relating to these two rivals?

I V E N L R O
 A I H L R O

EXPERIMENTAL

Use these maths problems as clues to work out how much liquid is in each beaker

$\text{Beaker 1} + \text{Beaker 2} = 6\text{mL}$
 $\text{Beaker 3} + \text{Beaker 4} + \text{Beaker 5} = 7\text{mL}$
 $\text{Beaker 6} - \text{Beaker 7} = 1\text{mL}$
 $\text{Beaker 8} + \text{Beaker 9} = 8\text{mL}$

POWER UP

Fill in the blanks to spell out some super special superpowers!
